**Deacon Nomination**

This morning we will be nominating four men to serve as deacons for three years. As we look to the Lord for direction may we trust and follow Him as He lays on our hearts the men He would have to fill these positions. As you pray, study what the word tells us about the qualifications of deacons. This is a ministry that is not meant for all men. But it is a ministry that the Lord uses in His church. If we will look back at those first deacons (Acts 6) we will see the church was growing because the number of disciples was multiplying. There was a need for more ministers to serve the people. The apostles could not do all that was needed to be done. They called on the church to choose men who had a good reputation, those who were filled with the Holy Spirit and wisdom. They were to serve the body that the apostles could concentrate on prayer and the ministry of the Word. The Word of God spread and the number of disciples multiplied greatly after those men were chosen. It would appear that the church would grow when the right men are in the right position with God. We will also see the church grow when men who are filled with His Spirit serve as He leads.

Kathrine has listed the names of the men in the bulletin who now serve as deacons. Please look at that list. Then look at our congregation and pray for the Lord's leadership. Then nominate the four men God lays on your heart. Remember, the men listed in the bulletin are already serving – don't nominate any of them. May God bless us at Chiquola as we seek to be obedient to Him!
