

Thankfulness

Paul, in his letter to the church at Philippi, expressed his joy for the fellowship they had together in the gospel. It is so neat to know that those who are partakers together in Christ with can be so counted on! This past week Jayne and I experienced your fellowship as we suffered through the flu. We hated having to miss the services. We missed out on hearing the youth as they sang praises to the King. We missed the opportunity to hear the Word of the Lord preached. We missed the joyful singing unto the Lord as the congregation met together. I do not know how people make it outside the fellowship of believers! That fellowship brings me encouragement and strength.

When I think about the things I have to be thankful for I stand amazed at how much goes back to the fellowship of believers. The Lord always places people who are like-minded together that we might help each other through this life. We as Christians have the best of both worlds. We have the Holy Spirit indwelling us and fellow Christians that encourage us.

I think Paul experienced that with the church at Philippi. I know I experience it here at Chiquola. Our God is good. God's people are good. Both of those things together make life good!

If your fellowship with the church is lacking, I bet your joy in life is lacking. Be thankful for the fellowship the Lord has placed you with. Be a vital part of the body. Give of yourself. Plug in with other believers as you trust the Lord. Let's walk this journey together. Together we can make a big difference. We have so much to be thankful for!!!!
