

Thanks To So Many

I would like to thank all those who helped with the services last Sunday. It took a lot of people to set things up for the singing service and the movie. Everyone who helped made our time together so enjoyable. I would like to thank Donnie and Steve for all the work they did to get things organized.

Their efforts really paid off!

I would like to also thank those who brought food for the community food pantry. We have a lot of people in our area who are hurting financially right now. So many people depend on our community food bank for bare essentials of food. Your contributions will make such a difference!

The joy boxes we will be dedicating this morning will brighten the lives of children that we might never see. But I can only imagine the smiles they will have on their faces when they receive their boxes.

I know all the things you do for the glory of the Lord. I really appreciate it when I see people who give of themselves. It seems that is a rare commodity these days. Continue to do all you do for His praise. People's lives will be changed for the better!

Election Day

One week from Tuesday we will have national election. Our country is in dire need of a touch from God. We need people in office who will do the will of the Father. If our nation is going to go the way it should, we as the people of God need to hear from God and act. So, over this next week seek the will of God and vote the way He directs you. He can change our nation. He can heal our land. It will happen when God's people adhere to II Chronicles 7:14. Let's be a people who humble ourselves, pray, seek His face, and turn from our wicked ways. Then He will heal our land!

Students Ministry News

**ALL YOUTH & CHILDREN** are invited to drop by Steve McGaha's house Halloween evening from 6:00-9:30pm for a drop by Halloween treat. This gives us a safe place to trick or treat. Fire will be going and be prepared to make smores.

***3 John 1:5-8: 5 Beloved, you do faithfully whatever you do for the brethren and for strangers, 6 who have borne witness of your love before the church. If you send them forward on their journey in a manner worthy of God, you will do well, 7 because they went forth for His name's sake, taking nothing from the Gentiles. 8 We therefore ought to receive such, that we may become fellow workers for the truth.***

In these verses, Gaius was commended for his generosity and faithfulness in meeting the needs of missionaries passing through his village. He became a partner in his ministry by helping them in practical ways. Missionaries today have the same needs. Even though we are not on the home front, our families can support missionaries in their efforts to further the Kingdom of God. We need to teach our children to support the efforts of the men, women and sometimes their children for their most valuable service to their Lord and Savior. We need to show our children how to pray for them and teach them to pray specifically for their needs.

Our church is to be commended for their willingness to pack joy boxes so that we can support Master's Mission and their ministry around the world. Please take the time to use this as a teaching moment for your children to show them how the love of Christ and the Gospel can be shared though the gift of these awesome Joy Boxes.

Adopt A Homebound/ Nursing Home Resident

We are going to start a "adoption" ministry for those who are homebound or in nursing homes. We want church members to adopt one person to call, send cards to and encourage. We will supply each adopting member with 4 cards, envelopes & postage... so each adoptee can get a call and/or visit if possible every week and a card every other week,. To sign up, call the church office. This is not to take the place of any other ministry... but a new opportunity to serve.

*So far, Mary Johnson, Judy Sutherland, Frankie Page and Lillian Davies have been adopted.*
