

God's Love Exemplified

I am so thankful for you as a church! Throughout the year you help people in need. This past week we experienced a wonderful time of helping. The clothes store and food pantry helped a woman who was in dire straits. This lady had no other place to go and the Lord led her here. I would like to thank all those who jumped in and ministered to her needs. Also this week we helped several families in our community with Christmas. We had Sunday School classes and individuals who reached out and ministered to others by purchasing gifts for those who needed a helping hand. As I watched these things take place I was reminded what Jesus spoke of in Matthew 25. He said when we help others it was like doing it unto Him. I know you do not do it for recognition. But I would like to say thank you for what you do for others in the name of Jesus. We might never know what these things mean in the terms of eternity. So again, thank you!!!

Services For the Next Two Weeks

This is the Christmas season and we have some special events I would like to share with you. Next Sunday, Christmas Eve, our choir will present to us "Come and See...Christ". This cantata is a compilation of several past cantatas. There will be no Sunday evening service. On Sunday, the 31st, the morning service will be led by our children as they share a cantata they have put together. In the evening service we will have a good ole time of singing, followed by a finger food fellowship. Bring your favorite finger food. Make plans now to enjoy all these services! **Merry Christmas**
