

Complete Victory

This past week I have been looking at what it means to have complete victory in life. First of all I had to realize what I needed victory over. That really is simple. I need a victory to overcome this world. For I realize that in this world I face temptations; I face grief; I face failures; I face human frailties. Because of sin, not only I face these, but all of us. There must be a way to overcome things of this world! There is – His name is Jesus. Look at what the Word says in I John 4:4-5: “For whoever is born of God overcomes the world. And this is the victory that has overcome the world, even our faith. Who is he who overcomes the world, but he who believes that Jesus is the Son of God?”

Throughout First John we find that we can be victorious. This victory is always found in Jesus.

There is no other way! So often people think it is about what they do. I have come to terms it is about what He does. Ephesians 2:8-9 makes it plain, “For by grace you have been saved through faith, and not of yourselves; it is the gift of God, not of works, lest anyone should boast.”

The bottom line is: I (we) need Jesus! He makes such a difference. For it is in Him that I (we) find victory in this world.

Be victorious. Trust Jesus with all your heart and overcome the world. He wants to save and sanctify you. Then you will find a joy that is unspeakable and a peace beyond all understanding! Praise His name!!!!

Missionary of the Week

February 11th: David Boyter, his wife Ann and a team work in Sinola, Mexico which is the largest canning facility in Latin America. David & Ann live and work among the indigenous people who flood into their area to work in this major agriculture region. While the work may be slow, David and Ann’s team have witnessed progress. Three people have recently come to faith in Christ. The Boyters count it a joy to witness a spiritual harvest among people who have listened to the gospel for years but have been a bit slow to respond. Pray for David, Ann

and their team to be steadfast and encouraged when the work appears to be slow.
