

## Thanks VBS Clinic

Last Saturday the Saluda Baptist Association held its VBS Clinic here. So many of you were involved. The clinic was a success because of your efforts. There were people who helped with the breakfast. There were people who helped with the decorating. There were people who taught classes. There were people who came for the instruction. I would like to thank all of you for your hard work. I especially would like to thank Jayne for putting it all together. You do not know what to expect when these things are being lined up.

Sometimes you have no clue what other churches, or people, need. But, I have noticed the Lord always puts the right people in place with the right message. Last Saturday I watched people soak up the things that were shared. I saw others looking for something that would help them share the Gospel with the children in their churches. I heard testimonies of thanks for what was offered. I believe this is what church should be about.

Pray that we will always be about the work of the ministry. The Lord has blessed us so richly. May we never take for granted His goodness. And may we never forget to do what He has called us to do! Thanks again for all your service!!
