

Easter Season

I love this time of year when we celebrate the death, burial, and resurrection of Jesus. This event in history is the most important event of all times. It is by this event that you and I can know without a shadow of a doubt that God is alive and has given us the opportunity to know Him and have fellowship with Him.

You see, in Jesus' death our sins have been dealt with by God Himself. Jesus became the sacrifice God required that our sins could be forgiven. His blood covers all our sins.

Jesus' burial proves that He actually died. It was no hoax! For three days He laid in the tomb. But the tomb could not hold Him. He resurrected! Through His resurrection we find the power of God. He gives us victory over death and the grave. This is evident by Jesus' resurrection. Through His resurrection we have total victory. The grave and death will not defeat us. We have the hope of eternal life shown to us by His resurrection. It is so amazing! You see, we serve the only living God; the One who gave His life that we might live. All other gods require the death of their followers. Our God died for us that we might have more abundant and eternal life. Why would anyone want one of those gods?

Easter season is the time of year where we celebrate the Truth that gives us complete life. As you celebrate this time of year - remember Jesus. It is He who gave His all for us! Thank God for His marvelous plan of redemption!!!

PLEASE NOTE: Life Line Screening, a leading provider of community-based preventive health screenings will be in our community on Monday, July 1st, 2019 here at Chiquola Baptist Church in the fellowship hall. Ultra sound screenings to identify risk factors for cardiovascular disease include: Carotid Artery (plaque buildup-a leading cause of stroke), Abdominal Aortic Aneurysm (an enlargement or weak area in the main blood vessel that carries blood from the heart to the rest of the body), Peripheral Arterial Diseases (hardening of the arteries in the legs), a Heart Rhythm Screening (an EKG to detect Atrial Fibrillation – irregular heartbeat) and an Osteoporosis Risk Assessment for men and women. Being proactive about your health by knowing your risks helps you and your doctor address problems early. Register online TODAY AT www.lifelinescreening.com/communitycircle and receive your ___ Community Circle ___ discount and your Preferred Appointment!

Vacation Bible School 2019

June 23 - 28

Challenge sheets are on the VBS Table in the foyer.

Mission Statement

The Mission of Chiquola Baptist Church is to reach the lost with the gospel by equipping believers to do the work of Christ
