

Mother's Day Service

May 13th is Mother's Day. We will have a baby dedication service at 10:30 a.m. This will be a service where we recognize babies where the parents want to dedicate their child to the Lord. The message will be centered on the raising of children God's way. This world in which we live will never point us in the right direction of raising children. We need direction from God on how to bring our children up in a sin-sick society. That will be the theme for this Mother's Day celebration.

If you are interested in dedicating your child to the Lord contact me or the church office. We will need the parents' names, the name of the child, and his/her birthday. I look forward to this wonderful day as we celebrate our mothers and the children God has given us.
