

Congratulations Graduates

I would like to congratulate the graduates for the step of life they have just completed. I know how much work and dedication it takes to get where you are today. I pray that the Lord will continue to lead you through this life as you seek out His will. He will always take you down the best path if you will follow His guidance. Trust Him with all that you have and all that you are. Let Him mold your life. Always remember He knows tomorrow. May the Lord bless you in every venture of life!

Saturate USA

We are participating in the Saturate USA campaign. This is an opportunity for us to see that everyone in the 29654 zip code area receives a message about Jesus. We will be placing a bag of information on all the doors in our area. Each bag will have a DVD with three Jesus films on it, a salvation tract, and a list of some of the churches in our area. We plan to distribute 547 bags on Saturday, June 1, starting at 9 a.m. Our area covers highway 252 and Main Street to Austin Road and goes to Trail Road. I do not think this will take long. We will go out together for lunch following the distribution. See me for more details. This will be a good opportunity to get the Word of God to some people we never see. Pray about how God can use you in this event.

Continue to pray for our Student Pastor Search Team!

PLEASE NOTE: Life Line Screening, a leading provider of community-based preventive health screenings will be in our community on Monday, July 1st, 2019 here at Chiquola Baptist Church in the fellowship hall. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease, atrial fibrillation of irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (139 with our member discount). All five screenings take 60-90 minutes to complete. In order to register for this event an to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit – www.lifeline-screening.com/communitycircle or text the word circle to 797979.
