

## One Voice to Heed

In our day and time it amazes me how many voices there are speaking to us. News media today give us their take on the news instead of just giving us the news. So we hear all their opinions. So often we hear their biases, not the real truth. We must know that Jesus is the real truth (John 14:6). As children of God we have Jesus showing us the way. In John 10, we are told that He is the Good Shepherd, the One who calls us by name and leads us (vs. 3). He also tells us that He will go before us as He leads us by His voice (v. 4). We know that we are saved by Him, giving us more abundant life (vs. 7-10). We see that He takes care of us, giving us victory over the enemy (vs. 11-16). All this happens by being a people who listens and follows the voice of Jesus (vs. 25-30). It is so good to know that we have a Savior who leads us through this life. Because He is the Truth, He will always lead us in the right way. His voice will not be tainted by the world. His voice will not take us in the way of destruction. His voice will always bring us closer to the Father. His voice will always expose the evil that tries to take us down. The catch is that I know Him personally! When I have that relationship I will have the voice of Jesus that will lead me through this life. That will result in security in this life and the assurance of eternal life (v. 28).

Jesus wants you to have this life. Give your life to Him and let His voice lead you so that you can experience life, more abundant and eternal.
