

Documents That Make A Difference

In 1775, the people of New England were fighting the British for their independence. On July 2, 1776, Congress voted for their independence from Great Britain. On July 4, 1776, the final wording of the Declaration of Independence was approved and published.

This document has represented our freedoms ever since that day. This document gives the backing of our government for us as a people to enjoy life, liberty, and the pursuit of happiness. Used correctly we will be a people of law and order. Used incorrectly we become a people of chaos and corruption. We need this document for a foundation so our nation can survive and thrive.

As important as this document is to us as a nation, we also have a document that has eternal values. In the parable of the sower and the seed Jesus made it plain that those who receive the Word keep it and produce much fruit. The Word of God sets us free, delivering us from sin to a more abundant life. His Word is the document that gives us a life of freedom and purpose. In Him we grow and become more free from the world of sin. His Word teaches us what we are to become.

In it He shows us how to live productive and meaningful lives. We must surrender to the direction that we find in and through His Word.

As we celebrate Independence Day this week, may we also celebrate the independence that comes from Jesus! It will be found in His Word. Trust it! Follow it. It reveals Jesus to us!!!
