

Self-Examination

Paul tells us in II Corinthians 13:5 to examine ourselves, whether we are in the faith. He goes on to say that we are prove ourselves. It seems in our day and time we have a hard time proving who we are in the faith. We have taken on so much of the world it is hard to distinguish what is Christian and what is the world! If we are really going to examine ourselves truthfully we must be like King David and ask the Lord to examine and prove us (Psalm 26:2). You see, so often we judge ourselves with prejudice. We are blinded by our own feelings. We need the Light of Jesus to help us see who and what we are. Chiquola Baptist Church needs all of us to step up to the plate and do whatever it is the Lord has gifted us to do. That will only come by each of us asking God to examine us and then being obedient to His call. Our nominating team is having a hard time this year getting people to commit to doing anything for Jesus through His church. If you and I believe God has brought us here together each of us needs to find out what He would have us do this next church year. If the body is going to function correctly all parts of the body must be working in unison. I ask today that you pray and seek the Lord's direction in your life. Seek what work He would have you do this next year. Then be obedient to the call and let the nominating team (Jayne Powell, Jerrell Shaw, and Leon Brown) know how the Lord is leading you. Then, be committed and faithful. We all will be blessed!!!!

Community Outreach Event

We have an opportunity to reach out to our community on Friday, August 17th, 6-8 PM. Our desire to have an end of the summer party for Honea Path, and invite everyone to the Chiquola Pool for a time of food, fun, swimming, fellowship and music. The pool will supply lifeguards. Johnny Holcombe has done a great job of cleaning up the pool and creating a good/safe environment. The plan is to have free hot dogs, chips, drinks, snow cones and popcorn available for to everyone with a ticket... and tickets are available by signing up at the event. Chiquola ministry groups can have a display table to share about their ministry. There will be a prayer tent set up to pray for any requests (and for the people at the event). The worship team will sing occasionally and we may have a bounce house or two as well. All that to say this... for this to work, **we need your help.**

We need volunteers to help man the event.

If you would like to help, then meet me after church in the choir room. Let's see if we can increase our impact in our town for the Kingdom Donnie

Senior Moments from Donnie

Calling all Seniors! Our upcoming Senior trips include an October trip to the Creation Museum and Ark Encounter, a December trip to Myrtle Beach, and a March trip to Hershey Pennsylvania.

Sign up sheets are on the Welcome desk in the lobby. We would love to have you come with us on any/all of these excursions.

Our monthly lunch meetings will be on Tuesdays... August 14, September 11, October 9, November 13, and December 18. At each meeting we encourage you to write cards for our hospitalized, shut-ins and nursing facility residents. We strive to hand deliver the cards and letters... it means so much to have that personal visit as well as the card. I will always cook enough lunch to take a plate of food to shut-ins.

Mission Project to Benefit Local Schools

Did you know that school supplies have increased by more than 80% in the last decade? Or that 7 out of 10 children in a classroom cannot afford to purchase needed items? How about the fact that teachers spend an average of \$550 of their personal money to buy supplies for those children? This is your opportunity to make a child who is dreading the first day of school because he doesn't have what he needs find excitement. It's boosting a little girl's self-esteem knowing she won't be the only one without a notebook and pencil. The WMU will be collecting school supplies for local children who may not be able to purchase the items needed. Boxes are at both entrances for your donations. Items needed are as follows:

Pencils, Loose-Leaf Paper, Scissors, Crayons, Glue Sticks, Bottle Glue, Index Cards, Large Erasers, Hand Sanitizer, Dry Erase Markers, Composition Books, 3-ring Binders, Colored Pencils, Ziplock Bags (gallon, sandwich & snack size), Baby Wipes, Clorox Wipes, Kleenex.
