Sunday School

Remember Sunday School starts back this evening at 6:00 p.m. Adults will meet in the sanctuary. Steve will show the preschoolers, children, and youth where to meet. College and career group will meet with Rick. This is a good opportunity for us to get our Sunday School restarted. I know everyone has been looking forward to this day. Enjoy the fellowship of each other. Be safe. The coronavirus is still around. Wash your hands, keep a safe distance, and wear a mask when needed. Take the needed precautions that we do not have to step back. Be responsible for yourself and all those around you. Please pray for God's hand of protection. Also pray that He will cure this pandemic and get the praise He deserves. We will forever be in His hands!!!

Thanks for the Prayers

Our family would like to thank you for all the prayers for us this past two weeks. I would like to thank you also for the calls I received. It was good to hear your voices. Our two weeks of guaranteeing will be up tomorrow. We are all looking forward to getting back to our regular routines. We know your prayers have made a difference for us. It is amazing how four walls can close in on a person! That reminds me of our need to minister to others who cannot get out on a normal day. So, know you make a difference in the lives of those who need a special touch. Do it for Jesus. It does mean a lot!

- Sunday school is important in the spiritual development of Christians because it provides a forum for learning. The church is a community where everyone helps their neighbors. When you take your children to Sunday school, you can rest assured you have qualified help with their spiritual education.
- Sunday School encourages spiritual interaction between the students and the teachers, as well as providing a comprehensive way of learning as a group.
- Sunday School sets the stage for better understanding. It is a comprehensive way of learning from one another and to receive encouragement to live by God's Word.
- Sunday School provides a great opportunity of developing friendships and trust, which tends to make attendees more committed to the church and its vision. Each class is an extension of the church as a whole and is committed to developing a strong body through spiritual growth.
- Sunday School attendance also provides an effective opportunity for Christian growth. When your children go to Sunday school, they will find the age-appropriate Bible teaching their young minds are so eager to absorb.
- Sunday School attendance forms good habits. If you start consistently taking your kiddos to church when they're young, they will forever learn the good habits of church attendance. For the rest of their lives, they'll benefit from the knowledge they gained in Sunday School.

I look forward to seeing all of you at Sunday School tonight!!!
